

## Massage Therapist needed!

### Why not work where you can play?

A friendly and outgoing Registered Massage Therapist is needed to join our busy multi-disciplinary team on the shores of Georgian Bay! The waterfront and woodlands provide endless opportunities for boating, hiking, recreation activities and much more! You will receive cross-referrals from our physiotherapists and kinesiologist. We are located in a new medical building with physicians, health practitioners and specialists, with awesome views of the ski hills and the bay!

Experience is a bonus but not necessary. Mentoring is a strong focus at Maximum: we provide in-house clinical learning sessions and we welcome regular outside presenters. We are looking for someone who is a team player and wants to grow their business and acquire new skills.

We want to hear from you if you align with our CORE VALUES:

- Possess a strong desire to improve clinical skills and outcomes. We endorse a strong mentorship culture that facilitates learning, teaching, collaboration, and innovation.
- Provide respect, understanding and support to clients, families and our local community.
- Are a self-motivated, performance-driven professional.
- Have a strong focus on the client experience.
- Use current evidence to guide assessment and treatment.
- Promote an amazing culture that creates a fun and engaging work environment.
